

BOY SCOUTS PLAN PROGRAM HERE SUNDAY

WILL OBSERVE 33RD ANNI-
VERSARY OF THEIR
ORGANIZATION

Lelia Horne, program
man, has announced that
they are nearing completion for
thirty-third birthday observ-
ance of the Girl Scouts Sunday
noon at two o'clock.

Greencastle Scouts are also
celebrating the twenty-third
anniversary of their organization
in this city. Miss Elsie Taylor
of the DePauw faculty in 1922
started the first Girl Scout troop
in Greencastle. The first Girl
Scout troop was started here. The
first Girl Scout troop was started
here. The first Girl Scout troop
was started here. The first Girl
Scout troop was started here.

The number of girls desirous
of becoming Scouts grew until in
1944 the group made it feasible
to organize a Council with a
charter from the national or-
ganization. Mrs. Fred O'Hair
was the first commissioner.
Others who have served in this
capacity are Mrs. Hiram Jones,
Mrs. Paul Hunt, Mrs. B. F.
Hasty and Mrs. H. E. H. Green-
leaf, who is now serving for the
second time. The Council has
had as members at different
times Mrs. E. B. Nichols, Mrs.
Eugene Brooks, Mrs. W. H.
Meadley, Mrs. Laurel Turk, Mrs.
O. M. Manhart, Mrs. Ralph Etter,
Mrs. Kenneth West, Mrs. Russell
Brown, Mrs. Noble Cox, Mrs.
Frank Jones, Mrs. Rex Haines,
Mrs. C. D. Conklin and Mrs. R.
E. Neal.

Increased numbers of Scouts
are expanding wartime program,
and acquisition of a tract of land
near Greencastle made it advis-
able to enlarge the Council so
that at present there are 18
members, with the following of-
ficers: Mrs. Greenleaf, commis-
sioner; Mrs. R. E. Williams, deputy
commissioner; Mrs. L. G.
Stearns, secretary; Mrs. Webb
Brown, corresponding secretary;
Mrs. James Roberts, treasurer;
Miss Lelia Horne, program
man; Mrs. Clarke Arnold,
chairman; Mrs. B. F.
Hasty, Juliette Low chairman;
and Mrs. A. H. Northrop, public
relations chairman.

This year the Scout movement
is reaching out into the county
for the first time and troops are
being organized at Putnamville
and Roachdale.

In the past few years, the Girl
Scout birthday program has
come to be a very popular fea-
ture with Greencastle people.
This year the program will be
a regent of World Friendship
and will start promptly at 2:00
o'clock in Community Hall of
Cathedral Methodist church. The
public is cordially invited to this
program.

SELECTED DIRECTOR

wrote that it was "plenty tough,"
but after seeing considerable
action he was writing from a

Predicts Victory By Summer's End

LONDON, March 15 (UP)—
Prime Minister Churchill said to-
day that victory in Europe may
come before the end of summer
"or even sooner."

The quickening progress of the
war means Germany will be forced
into unconditional surrender
or "beaten to the ground in
chaos and ruin," he told the an-
nual conference of the conserva-
tive party.

Churchill's prediction that the
war in Europe may end within
six months coincided with a
wave of optimism throughout
Britain and on the western front.
One front dispatch said reli-
able non-military sources be-
lieved peace was possible within
six weeks.

U. S. TROOPS INVADE TWO MORE ISLANDS

YANKS SECURE SOUTHERN
APPROACHES TO SHIP-
PING CHANNEL

MANILA, March 15.—(UP)—
U. S. troops secured the south-
ern approaches to the main ship-
ping channel through the Philip-
pines today with the seizure of
two more islands southeast of
Luzon.

Elements of the 24th Division
captured the islands—Romblon
and Simara—in the Sibuyan set
east of Mindoro, in a surprising
lateral operation Sunday night
against light opposition, a com-
municate said.

The small Japanese garrison
on Romblon, midway between
Tablas and Sibuyan islands, put
up several brief skirmishes near
the town of Romblon but was
quickly destroyed.

Romblon and Simara were the
22nd and 23rd islands in the
Philippines invaded by U. S.
troops of Gen. Douglas Mac-
Arthur's southwest Pacific force.

All but two—Luzon and Min-
danao—were under complete
control but American regulars
and Filipino guerrillas were
rapidly overcoming the Japanese
on those islands, the largest in
the archipelago.

On Mindanao, 41st Division
veterans expanded their Zam-
boanga bridgehead to 39 square
miles and continued to pursue
the Japanese into the hill region
inland.

Five more villages were seized
by the Americans as they
fanned out from the Zamboanga
city area under the cover of an
air and sea bombardment. The
villages were Reco do Caldera
point, eight miles west of Zam-
boanga, Mercedes, five miles
northeast of the city, and Mas-
taya, Harlo and Tumaga to the
north.

Eight Japanese gun batteries
in the hills behind Zamboanga
were silenced by Mitchell
medium bombers and American
warships off shore, while sev-
eral small enemy craft were sunk
by P-T boats off nearby Basilan
island.

The 43rd Division was re-
vealed for the first time to be fight-
ing on Luzon, where it joined
the first Cavalry Division in the
drive east of Antipolo at the
southern end of the main Japa-
nese line.

TAX EXPERT DIES

INDIANAPOLIS, March 15.—
(UP)—C. R. Benjamin, 52, Indi-
anapolis, former member of the
Indiana state board of tax com-
missioners, died yesterday after
a two-month illness. A native
of Crown Point, he also served
as tax consultant for the Indian-
apolis Farm Bureau and was executive
secretary of the Indianapolis
Taxpayers' Association.

A LASTING MEMORIAL

The Putnam County Post-
War Planning Commission
which has been at work for
some time on post-war plans
could very easily plan a last-
ing memorial by adding a
wing to the Putnam County
Hospital as a memorial to
Putnam county's fighting
men in World War II.

Money spent for such a pro-
ject would be a perpetual
monument to the men who
served our county so gallantly,
and at the same time
would offer facilities to help
those veterans and civilians
alike, needing hospitalization.
It would be a lasting mem-
orial to the men who have given
their lives that our system of
free government may con-
tinue.

That the hospital will need
additional space in the years
to come is now evident. Now
is the time to plan such an
enlargement, so that no time
will be lost when the oppor-
tunity comes, once peace has
returned to the world.

Will Confer On Work Bill

WASHINGTON, March 15.—
(UP)—The labor draft question
on which Congress has wrangled
for two months entered a new
phase today, with prospects that
another month may elapse be-
fore it is decided.

The next move is up to a con-
ference committee of five sen-
ators and five representatives.
Their job is to compromise the
wide differences between the
"work or else" bill passed by the
House Feb. 1 and the voluntary
manpower controls passed by the
Senate March 8.

The conferees are not expected
to start work before next week.
When they do, they may find
themselves in a deadlock which
will take as long as a month to
dissolve.

Conferees were named late
yesterday after the House beat
down an attempt to kill the
"work or else" measure.

The House appointees appear
to stand four to one for the
House-approved measure under
which men from 18 to 45 would
be liable to \$10,000 fine and five
years imprisonment for refusal
to take an essential war job.

Strongest advocates for the
House version are Reps. Andrew
J. May, D., Ky., R. Ewing Thomp-
son, D., Tex., Overton Brooks,
D., La., and Walter G. Andrews,
R., N. Y. Standing firm in op-
position is Rep. Dewey Short, R.,
Mo.

Chairman Elbert D. Thomas,
D., Utah, of the Senate military
affairs committee abandoned tra-
ditional seniority practices in
picking a Senate five-man com-
mittee just as over-
whelmingly in favor of the Sen-
ate measure.

Made Futile Peace Offer

STOCKHOLM, March 15.—

Dance At H. S. Gym Friday Eve

Plans have been completed for
the Firemen's and Policemen's
Ball, which will be held at the
High School Gymnasium on Fri-
day evening, March 16th, start-
ing at 8:30 o'clock. Jimmie
Adami and his nine piece band
will entertain with music for
dancing. Further entertainment
will be given by Jean Brown, local
talented musician, who will
play the accordion during the in-
termission.

The gymnasium has been de-
corated by the Firemen and
Policemen combining a patriotic
and St. Patrick's Day motifs.
Proceeds from the check room
go to the Girl Scouts, who will
be in charge, and proceeds from
the refreshments, will go to the
Boy Scouts.

ENEMY DEAD ON IWO JIMA TOTALS 20,000

U. S. MARINES SUFFERED
HEAVY CASUALTIES
ON TINY ISLAND

GUAM, March 15.—(UP)—
Marines still were hacking away
at two shrinking enemy pockets
on Iwo today, but the island was
declared officially captured with
20,000 of its defenders already
killed.

The stars and stripes were
raised over the tiny stepping
stone island 750 miles south of
Tokyo at a formal ceremony at
9:30 a. m. yesterday—24th day
of the battle of Iwo.

Admiral Chester W. Nimitz
proclaimed himself military gov-
ernor of Iwo "other" occupied
islands in the Volcano group,
presumably barren Kokoku and
Kuma Rocks off the west coast
of Iwo seized two days ago.

May. Gen. Keller E. Rockey's
Fifth Marine Division gained 200
to 400 yards in compressing the
main enemy pocket at the rocky
northern tip of Iwo yesterday.
The Japanese were fighting to
the death from long-prepared
defenses.

A smaller pocket was under
assault by Major Gen. Clifton B.
Gates' Fourth Division on the
east coast.

Pacific fleet headquarters, in
fixing the number of enemy dead
on Iwo at 20,000 through yester-
day, emphasized that its esti-
mate was conservative and less
than the detailed estimates of
front-line commanders.

The figure was based on the
number of Japanese bodies buried
and a "very careful" guess as to
the numbers sealed in the
fortified caves which the enemy
refused to surrender. On Monday
alone, 115 such caves were sealed
with demolition charges.

There has been no announce-
ment of Marine casualties since
March 3, when 2,050 Amer-
icans were listed as dead. At that
time, the number of Japanese
dead was placed at 12,864.

Some American dead were
found to have been booby-trapped
by the Japanese.

An NBC broadcast from Guam
said unofficial information in-
dicated American casualties
on Iwo would be "very high." An
NBC commentator in Washing-
ton predicted they would total
17,000, including 3,000 dead.

Naval Plane Falls; 7 Dead

SAN FRANCISCO, March 15.—
(UP)—Seven persons were
killed and 16 were injured when
a twin-engine naval transport
plane crashed on a ridge near
San Carlos, Cal., last night, 28
minutes after circling the Oak-
land airport, the 12th Naval Dis-
trict announced today.

The plane, a Douglas trans-
port bound from San Pedro, Cal.,
to Oakland crashed on a spur of
the coast range three miles west
of San Carlos at 8:12 p. m.

The big transport, carrying 20
passengers and a crew of three,
all believed to be service person-
nel, was last reported 3,000 feet
over the airport, some 25 miles
from the crash scene at 7:45 p.
m., the navy said. At that time
the transport asked permission
to land.

Cause of the crash was not im-
mediately determined. Casual-
ties were taken to the army's
Dibble General Hospital near
Palo Alto, Cal. Names of the
dead and injured were withheld
pending notification of next-of-
kin.

11-Ton Bombs Dropped By RAF

LONDON, March 15.—(UP)—
Eleven-ton British bombs, big-
gest in the world, collapsed six
and perhaps eight spans of the
German Ruhr's vital Bielefeld
railway viaduct yesterday, the
air ministry announced today.

The attack knocked out one of
the last remaining double trunk
railways linking the Ruhr with
the rest of Germany.
The pilot of one of the RAF
Lancaster bombers which dropped
the giant bombs said the re-
sultant explosion lifted his plane
500 feet in the air.

John Fisher Rises From Ranks To Win Second Lieutenant's Commission

A distinction coming to few
enlisted men has been attained
by John F. Fisher, son of Mr.
and Mrs. Ray Fisher, 13 Beve-
ridge street, Greencastle. His
parents and Mrs. Fisher have
just been informed that he has
been commissioned second lieuten-
ant. As far as is known, John
Fisher is the first Putnam Coun-
ty man in World War 11 service
who has been given a commis-
sion on the basis of performance
and conduct without attending
officers' training school.

Fisher has seen considerable
action since he entered the U. S.
Army on January 17, 1941 after
having been a member of the
National Guard since September
1939. Leaving the United States
on December 15, 1943, he was
first stationed in Hawaii, before
being transferred to New Guinea
and Leyte. He participated in the
action on Luzon and was in the
Subic Bay invasion, and it was
his 38th Division that is given
the credit for the recapture of
Bataan. Fisher is in Company 1
of the 151st Infantry, a part of
the 38th Division, which includes
a number of Putnam County
boys and which has an enviable
record in the Pacific War The-
ater. He has been with the 38th

Division since he was in the In-
diana National Guard and it was
Major King, formerly of the In-
diana National Guard, who pin-
ned the bars on him.

John Fisher married Miss
Rose Boudreaux of New Iberia,
Louisiana on July 3, 1943. She is
living in Greencastle where she
is employed by the DePauw Uni-
versity Library.

Express Anxiety Over Coal Strike

WASHINGTON, March 15.—
(UP)—Government officials ex-
pressed increased anxiety today
over the danger of a soft coal
strike on April 1.

Their mounting fears resulted
from the stalemate in contract
discussions between soft coal
producers and the United Mine
Workers. The present contract
expires in 16 days—and the min-
ers' past policy has been "no
contract, no work."

For the fourth straight day,
the operators asked UMW Presi-
dent John L. Lewis to postpone
direct negotiations while they
continued efforts to agree on a
reply to the wage demands he
made two weeks ago. Among
them is the controversial 10-
cents a ton royalty.

The operators were reported
seriously divided on their reply.
One faction, headed by Charles
O'Neill, president of the Central
Pennsylvania Producers, was
said to be willing to give Lewis
a basis for continued negotia-
tions. Another, headed by Ed-
ward R. Burke, president of the
Southern Producers, was said to
be opposed to any concessions
without governmental direction.

Government agencies anxiously
concerned with the delay in
direct bargaining included the
Labor Department, Solid Fuels
Administration, War Labor
Board, army and navy.

Operators, UMW and govern-
ment officials have maintained
a tight-lipped silence on the regu-
lations but there were indica-
tions that this situation would
not continue beyond the next 72
hours.

TO FILE APPEAL

INDIANAPOLIS, March 15.—
(UP)—Attorneys for Charles
De Grapheend, 33, Negro house
cleaner, said today they would
file an appeal from a life sen-
tence assessed against him for the
robbery-murder of Gustave
L. Wiedenhoft, 65, well-to-do
florist.

Judge William D. Bain pro-
nounced sentence in criminal
court last night upon recom-
mendation of a jury which had
deliberated the case for seven
hours. De Grapheend had of-
fered an alibi defense.

ALMOST PERFECT

That Greencastle is a good
place in which to live and a
place to which all men from
the community who have gone
to war, wish to return, has
been disclosed by a report to
the post-war planning com-
mittee.

This committee sent letters
to as many service men as ad-
dresses were available, and
one of the questions asked was
what they wanted to do when
they return. One soldier, prob-
ably home-sick from living in
a fox hole weeks on end, said
"I want to return to Greencas-
tle. From what I have seen so
far it's damn near perfect."

YANKS FIGHT TO SEIZE VITAL NAZI HIGHWAY

AMERICAN TANKS AND IN-
FANTRY ONLY HALF
MILE FROM ROAD

PARIS, March 15.—(UP)—
American tanks and infantry-
men struck eastward from their
Rhine bridgehead within a half-
mile of the Rhine-Ruhr-Berlin
superhighway today in a power-
ful bid for a breakthrough into
the exposed southern flank of
the Ruhr basin.

German military spokesmen
said the Americans had thrown
five full divisions, perhaps 75,000
men, into the Remagen salient
in an attempt to smash the Nazi
front east of the Rhine.

Heavily-censored field dis-
patches said the Germans were
throwing strong armored rein-
forcements into the battle in a
desperate attempt to contain the
U. S. First Army drive. But the
Nazis were being hammered
slowly back across the broad
superhighway that forms the
main lateral line of supply and
communication for the German
armies east of the Rhine.

An unconfirmed Brussels radio
report said the Yanks already
were astride the highway at an
undisclosed point five to eight
miles east of the river.

More than 25 miles to the
southwest, Lt. Gen. George S.
Patton's American Third Army
broke across the Mosel river in
force and thrust eastward to-
ward the Rhine against surpris-
ingly light opposition.

Patton's men were less than
three miles from the Rhine at a
point about eight miles south-
west of Coblenz.

Other Third Army forces ram-
med across the northern corner
of Germany's Saar province on
a broad front that carried nine
miles or more east of Saarburg.
Simultaneously, American
Seventh Army forces on the
southern fringe of the industrial
Saar basin opened up with a limited
offensive that pushed the
Germans back across the Saar
river on an eight-mile front west
of the provincial capital of Saar-
brücken.

There were no reports of ma-
jor activity on the northern end
of the allied battlefield, where
the American Ninth, Canadian
First, and British Second Ar-
mies were poised in tremendous
force for a drive across the
Rhine into the broad plains of
north Germany.

Both sides sent patrols stab-
ling across the Rhine on the
stalled northern front and allied
and German accounts intimated
strongly that the great offensive
was about to explode.

Lt. Gen. Courtney H. Hodges'
American First Army already
was beginning to roll out
through the rugged hills over-
looking the east bank of the
Rhine. Buttressed by a week-
long flow of supplies and rein-
forcements across the captured
Remagen bridge and a hastily-
constructed pontoon span, the
Americans advanced as much as
1½ miles on the eastern and
northeastern flanks of their salient
today.

One doughboy column slugged
its way eastward through the
woods beyond Honnet to within
a mile southwest of Bruengs-
berg, where it was only a half-
mile from the German super-
highway early today.

Other shock troops gained
more than a half-mile in the
wooded hills north of Honnet,
extending the northern flank of
the bridgehead to about 5½

miles downstream from the breakthrough point at Remagen. The bridgehead itself was described officially this morning as 11½ miles long, between a point north of Honnef and the southern flank at Hoenningen, and an average of more than five miles deep. Unconfirmed German reports said the Americans also were established on the east bank of the Rhine at Koenigs-winter, three miles north of Honnef, extending the Yank salient to almost 15 miles. At the center of the bridgehead, the Americans thrust five miles east of Remagen to clear all but a handful of Germans from the village of Notscheid. Kallenborn, two miles to the north, and St. Katherine and Hargarten, just south of Notscheid, also were in American hands or all but captured. North of Kallenborn and east of Hargarten the Americans were barely a mile from the broad concrete military highway forming the backbone of the German Rhine defenses. Field dispatches said German resistance was stiffening by the hour as fresh reserves joined the battle. Elements of at least two new panzer brigades were identi-

fied in action in addition to the 11th Panzer Division and infantry forces previously engaged there.

The International Relations Group of A. A. U. W. will meet tonight at the home of Mrs. Ruth McCullough Mack, 408 Elm Street at 7:30 o'clock. The program will be in charge of Mrs. Coen Pierson and Mrs. Gordon Sayers.

Mrs. Claude Hane Honored At Dinner

Mrs. Claude Hane was pleasantly surprised with a birthday dinner at the home of her daughter, Mrs. Glenn Kendall, Wednesday evening. The center piece was a beautiful white cake adorned with candles. A delicious buffet dinner was served to Mr. and Mrs. Elvis Hane and son Rex, of Brazil, Mr. and Mrs. Jack Davis, Mrs. Glen Kendall and children, Janice and Douglas and the guest of honor, Mrs. Claude Hane.

Entertained With St. Patrick's Party

Mrs. Grace Hurst and Mrs. Ella McBride entertained with a St. Patrick's party at the home of Mrs. Grace Hurst, on S. College Avenue, Wednesday evening. A corsage in keeping with St. Patrick's Day was presented to each guest.

Contests were won by Mrs. Orville Stewart and Mrs. George Frank.

Delicious refreshments were served to Mrs. George Wren, Miss Alice Murphy, Mrs. Orville Stewart, Mrs. George Frank, Mrs. Edgar Van Cleave, Mrs. Harvey Cox, Mrs. Ed Maddox, Mrs. Guy Williamson, Mrs. Dora Ruark, Mrs. R. P. Duncan, and the hostess, Mrs. Grace Hurst, and Mrs. Ella McBride.

Morning Musicales Met Wednesday

Greencastle Morning Musicales had the honor of presenting Franz Bodfors, professor of piano at the DePauw School of Music in one of his first public appearances in the city, at their meeting Wednesday morning at the home of Mrs. J. O. Hinken.

Throughout an interesting and varied program Mr. Bodfors demonstrated his exceptional ability as a pianist, for he is one who combines a fine musician-ship with a masterful technique and decided interpretative skill.

Seldom does one hear a pianist who plays with such clarity, such beauty of tone and such complete understanding of great music. Included in his program were: Chorale in G minor, Bach; Gigue, Bach; Barcarolle, Chopin; Andante in F, Beethoven; Sonata in F minor, Brahms.

The music lovers of Greencastle will look forward with pleasure to the recital which Mr. Bodfors will give next Thursday evening, March 22, in Meharry Hall.

Bainbridge Eastern Star Meets Monday

The stated meeting of the Bainbridge Eastern Star will be held Monday evening. There will be an election of officers and a good attendance is desired.

How Sober Hoskins
Got His Name

Everybody kids Sober Hoskins
about his name. Of course, they
allow that it's appropriate. Sober
never drinks anything stronger
than a glass of beer. And a
harder worker in the fields there
never was.

"Shucks," says Sober's dad.
"We named Sober 'Sober' just
because he looked that way
when he was born. Like we
called his sister 'Gay' and his
other sister 'Prissy.' And it's
his effect on all of 'em." he adds
with spirit. (Prissy is the old
maid in the Hoskins family.)

Maybe we should use such
names more often. And one I'd
like to add is "Tolerance." If we
all had Tolerance for a middle
name, and lived up to it, we'd
have a better, happier world.

Joe Marsh

PERFECT LANDING

HUNTINGTON, Ind. (UP)—At least this pilot guessed right! When he was delivering the private plane which Ralph Brown had ordered for his personal use in CAP work, the pilot found he was low on gas and had to land immediately. He set the plane down on an empty plot and walked next door to a farmhouse, only to find that it was the home of Ralph Brown.

COLD STOPS

CENSUS TAKERS
SPRINGFIELD, Mass. (UP)—The city of Springfield recently hired 15 city census takers. Within two weeks every one of them had quit because of the snow and cold weather.

GESTURE TO YOUNGSTERS

NORFOLK, Mass. (UP)—Prisoners at the Norfolk prison colony here are doing their bit to help make the days of servicemen's families brighter. They are making tiny figurines of navy-blue and khaki-clad servicemen, which are given to the children of fighting men to remind them of their daddies.

FARES DIRECT BUS DRIVER

SPRINGFIELD, Mass. (UP)—It's getting so you can't get on a bus and expect to get to the scheduled destination. Passengers on Belmont Ave. bus recently had to direct a new driver around the route when he became lost.

DOG SAVES FARMER'S LIFE

BLUFFTON, Ind. (UP)—Henry Keller will be ever grateful to his shepherd-collie dog,

Yank, who saved Keller's life by preventing a cow from trampling the man to death. The cow turned on Keller when he tried to push it into the barn, knocked him down, and started to walk on him. Yank attacked the cow, which in turn chased the dog, but didn't get him. Keller got back to his farmhouse safely.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent or empty passages with annoying and burning sometimes show there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

JAIL GIVES UP ON GOAT

BROCKTON, Mass. (UP)—Can you jail a goat? You can -- and then you can't, according to two Brockton policemen. They picked up the goat for loitering and jailed him. But after three hours they were unable to stand the "fragrant odor" and he was released to the city farm for shelter.

FUEL PINCH SLOWS CLEVELAND (UP)—"epidemic" of wrong time Cleveland's electric clocks traced to the fuel shortage plagued the Midwest. The fuel shortage forced a reduction in the speed of the generators which feed current to the clocks at a synchronous speed. The consequent slowdown in the speed of the clocks resulted in clocks running one to two minutes behind.
